Ian's Story Time!

Welcome to Story Time!

This program will create a story with information supplied from the user.

The story starts in Florida,

Ian is walking down the street when a person unknowingly bumps into Ian walking the opposite way.

He looks up and sees that the person is actually John Doe!

Luckily, John Doe didn't notice Ian and kept walking.

Ian hates John Doe, he is always talking about country music and it drives Ian crazy!

The End!
